Three things are to be considered in the selection of a Piano—  
Its Musical Qualities.  
Its Durability.  
Its Beauty.

The endorsement of noted musical authorities testifies to the perfect musical qualities of the

(Telephone 1485)

Petersburg, Va., September 7.

Plans have been completed for taking the religious census of the city by the Executive Committee of the organization of Sunday School Superintendents, with the various churches cooperating, and assisting, Dr. William H. Miller is chairman of the executive committee, with A. M. Walsh secretary of the Y. M. C. A.; Wm. M. Martin, secretary of the Chamber of Commerce, and E. H. Cole as general supervisor. The city has been divided into six sections with a captain, lieutenant and secretary appointed to the charge of each. At 2 o'clock on Sunday afternoon, September 16, the work of taking the census of the white people of the city will be commenced, with 700 enumerators assigned to the work—two blocks to each. The work is expected to be finished within two hours. The name, location and religious affiliation of every white resident will be taken, and a full census secured. The names of those of different religious persuasions will be turned over to representatives of their respective denominations. The census will be from house to house. The colored people will take their own census.

Died in Baltimore.

A letter from Waverly states that E. N. Saut, a well-known young business man of that place, engaged in the state business, died at an early hour this morning as the result of accidental fire.

Mr. Saut left for Baltimore on Wednesday to consult a specialist because of stomach trouble. It is reported that the death was caused by a fall from a window.

His wife, a little daughter, three sisters and his stepmother, Mr. Saut, were taken to Baltimore this morning to accompany the body back to Waverly.
